welcome to
matchday

Match Day was designed to help nonprofit organizations build the endowment funds established for their benefit at the Kalamazoo Community Foundation. Today the Kalamazoo Community Foundation is matching each dollar donated to an endowment fund established for the benefit of the organizations listed on the back of this sheet with 50 cents that will be available for the organization to use immediately. The Community Foundation is providing \$85,000 in matching funds. In addition, PNC and an anonymous donor have generously provided an additional \$85,000, bringing the total amount of matching funds available to \$170,000!

important information

- Your gift will be made to the endowment fund of the organization(s) you have indicated on your donation form. Organizations with multiple endowment funds established for their benefit have chosen one endowment fund to receive their Match Day gifts. If you would like to know the specific fund your donation will support, please ask the Community Foundation staff member who processes your gift.
- Donations will be matched until we have exhausted the matching funds. Donations will be accepted after the matching funds are gone, but they will not be matched.
- Your donation will be matched at 50 cents on the dollar.
- The maximum match per family is \$1,000 (for a \$2,000 gift). Gifts over \$2,000 will be accepted and help build the selected endowment fund, but they will not generate a larger match.
- Donations can be made by cash, check or credit card. We accept Visa, MasterCard, Discover and American Express. There is a \$25 minimum for credit card donations.
- The Kalamazoo Community Foundation can only issue one receipt per donor. Therefore, donations can not be “bundled,” (i.e. we can not accept groups of checks or credit card donations).
- Donations must be made in person to be matched. Online donations will not be matched.

the michigan community foundation tax credit

Donations made to Community Foundation endowment funds are tax deductible and eligible for the Michigan Community Foundation Tax Credit, which enables taxpayers to reduce their Michigan Income Tax or Michigan Business Tax liability by a credit of 50 percent of the amount contributed to a Community Foundation endowed fund. The Kalamazoo Community Foundation wishes to thank
